IMPORTANT NOTICE RE TRAVEL VACCINATIONS

Please note that we can still provide a Travel Health Service, i.e. administer your holiday vaccination and provide basic foreign travel advice.

HOWEVER, we are not a specialised Travel Clinic and therefore we need to place some restriction on what we can offer you as travellers. Your nearest Travel Clinic is Regent Street, Nottingham (Tel: 0115 9475498) or Website: www.masta.org – please contact if your itinerary is complicated, i.e.

1. Multiple destinations – more than 1 country. Please note travel advice within the surgery is for the country and not specific areas due to be visited
2. Prolonged stays – more than 4 weeks
3. Last minute travellers – presenting 10 days or less before departure.

If you wish to see one of our Practice Nurses re travel advice, please collect and complete a Travel Questionnaire from Reception – AT LEAST 8 WEEKS BEFORE YOUR HOLIDAY. Written information and your travel requirements will be ready to collect from the surgery within 2-3 weeks. This will allow you time to make an appropriate appointment with one of the Practice Nurses if any vaccinations are required.

Many thanks
